# WHAT IS REFURBISHED BAZZAR “QCFIED” PRODUCT

## High Quality Product

When a product is labeled as “QCFIED” on Refurbished Bazaar, it assures potential buyers that the item has been checked thoroughly and is deemed to be of acceptable quality, which can instill confidence in customers looking to make a purchase.

## 12 Month warranty

That's great news! When a product on Refurbished Bazaar bears the label “QCFIED” it also comes with a “12-month warranty,” it signifies a dual assurance of quality and support.

## Minimal Price

Absolutely! One of the significant advantages of purchasing refurbished products is their lower cost compared to new items. Even when a product has passed quality control (QC) and comes with a warranty.

## After Sell Support

Providing after-sale support on Refurbished Bazaar is an exceptional Unique Selling Proposition (USP) that sets this platform apart in the refurbished product market.

# Why you must join Refurbished Bazaar as a Franchise Partner!

## Foco Model !

## Strategic Guidance

## Store Setup Guidance

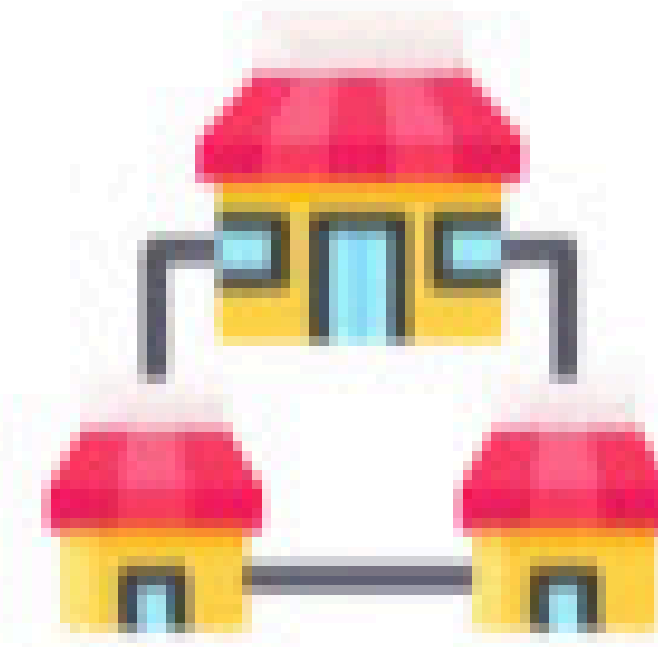

## Buy Back Facility

## High Margin Product

## Marketing Collaboration

### FOCO Model!

At Refurbished Bazaar, our business model operates on the innovative Franchise Owned, Company Operated (FOCO) approach, a distinctive framework designed to empower entrepreneurs while ensuring a seamless and standardized customer experience.

### Strategic Guidance:

Franchisees benefit from strategic guidance in selecting the optimal location for their physical store. Our experienced team provides insights into areas with high foot traffic and visibility, enhancing the chances of business success.

### Store Setup Assistance:

Our experts offer support in setting up the store, including layout suggestions and branding assistance. This ensures that every Refurbished Bazaar outlet reflects the professionalism and quality associated with our brand.

### Buy back facility:

At Refurbished Bazaar, we understand that investing in a business involves considerations of risk and return. To provide our partners with unmatched confidence, we proudly offer a zero-risk investment opportunity through our Buy Back Facility.

### High-margin:

We offer a curated selection of high-margin products, allowing our franchise partners to maximize profitability. From premium refurbished smartphones with cutting-edge features to powerful laptops and servers, our product range is strategically designed to provide exceptional value to customers while ensuring attractive profit margins for our partners.

### Marketing Collaboration :

Franchisees collaborate with our marketing team to create customized campaigns and promotions tailored to the local audience. This ensures that each store is well-positioned in the market and can effectively attract customers.
